Buachaill ón Éirne (Lad from the Erne) (traditional)

slow air

Chord progression: G C G C G G

Chord progression: G C Bm Em D D

Chord progression: G G C Em D D

Chord progression: G C G C G G

This is the air to an Irish song about a young man from from Lough Erne whose love of alcohol and women robs him of any desire to work or even keep a house.

The same tune was used in the 1960s by Scottish writer W Gordon Smith for his popular song *Come By the Hills*.

Buachaill ón Éirne
