## Little Boxes (Reynolds)

1 Little boxes on the hillside, little boxes made of ticky-tacky;  
 Little boxes on the hillside, little boxes all the same  
 There's a green one, and a pink one, and a blue one, and a yellow one,  
 And they're all made out of ticky-tacky, and they all look just the same.

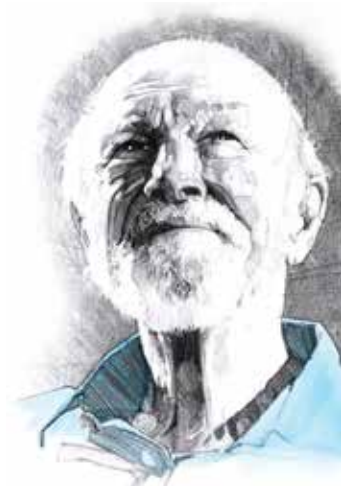

2 And the people in the houses, all went to the uni-versity;  
 And they all got put in boxes, little boxes all the same.  
 And there's doctors, and there's lawyers, and business ex-ecutives,  
 And they all get put in boxes, and they all come out the same.

3 And they all play on the golf course, and drink their mar-tini dry  
 And they all have pretty children, and the children go to school.  
 And the children go to summer camp, and then to the uni-versity,  
 Where they all get put in boxes, and they come out all the same.

4 And the boys go into business, and marry and raise a family  
 And they all get put in boxes, little boxes just the same.  
 There's a green one, and a pink one,  
 And a blue one, and a yellow one,  
 And they're all made out of ticky-tacky,  
 And they all look just the same.

Originally composed by Malvina Reynolds in the early 1960s, it was a big hit for American folksinger Pete Seeger in 1963.
