 1. All around the mountain and it was so cold, honey,
 Bm D
 All around the mountain and it was so cold, hey hey,
 Bm
 All around the mountain and it was so cold,
 D A D
 You couldn't hear nothin' but the car wheels roll, hey.

2. One of these days, and it won't be long, honey,
 One of these days, and it won't be long, hey hey,
 One of these days, and it won't be long,
 Call my name and I'll be gone, hey.
3. Standin' on the corner with a dollar in my hand, honey,
 Standin' on the corner with a dollar in my hand, hey hey,
 Standin' on the corner with a dollar in my hand,
 Lookin' for a woman that's got no man, hey.

This song was recorded by Stu Jamieson's Boys on a wonderful LP which came out in 1965 called The String Band Project. I don't know where they got the song, unfortunately, but it sounds traditional to me.
