Go Mango Walk

My brother did-a tell me that you go mango walk,
 You go mango walk, you go mango walk,
 My brother did-a tell me that you go mango walk
 And steal all the number 'leven.

Now tell me, Joe, do tell me for true,
 Do tell me for true, Do tell me
 That you don't go to no mango walk
 And steal all the number 'leven.

My brother did-a tell me that you go mango walk,
 You go mango walk, you go mango walk,
 My brother did-a tell me that you go mango walk
 And steal all the number 'leven.

I tell you, Sue, I tell you for true,
 I tell you for true, I tell you
 That I don't go to no mango walk
 And steal all the number 'leven.
