This song was composed by famed Greek composer Manos Hadjidakis, with words (originally in German) by Hans Bradtke. It became popular in the early 1960s sung by the Greek singer Nana Mouskouri.

White Rose of Athens

Till the white rose blooms again,
 You must leave me, leave me lonely;
 So good-bye my love till then,
 Till the white rose blooms again.

The summer days are ending in the valley,
 And soon the time will come when we must be apart;
 But like the rose that comes back with the spring time,
 You will return to me when spring-time comes around.
