 and two eyes made out of coal. Frosty the Snowman is a fairy tale they say,
C -G- -Am- D7 G
 He was made of snow but the children know how he came to life one day.
C Bm -C- -D7- G D7 /
 There must have been some magic in that old silk hat they found, for when he put it on

 his head he began to dance around. Oh, Frosty the Snowman was alive as he could

 be, And the children say he could laugh and play just the same as you and me.

 have some fun now before I melt away." Down to the village with a broomstick in his

 hand, Running here and there all around the square, saying "Catch me if you can."

 moment when he heard him holler, "Stop!" Frosty the Snowman had to hurry on his

 way, But he waved good-bye, saying, "Don't you cry; I'll be back again some day."

 Thumpety thump thump, thumpety thump thump, look at Frosty go;

 Thumpety thump thump, thumpety thump thump, over the hills of snow.
