*Grandfather's Clock*

My grandfather's clock was too large for the shelf  
 So it stood ninety years on the floor  
 It was taller by half than the old man himself  
 Though it weighed not a pennyweight more  
 It was bought on the morn' of the day that he was born  
 And was always his treasure and pride  
 But it stopped, short never to go again  
 When the old man died

Ninety years without slumbering  
 His life seconds numbering  
 It stopped, short never to go again  
 When the old man died
