I Can't Fly (Peter Fry)

Intro: (1, 2, 3, 4)
C^{run} x2:

1 I'm taking life more easily, I'm taking my time to rise;
I'm easing my way back on the floor
I'm stepping in time, just watching the days roll by.

Ch Oh me oh my, no I don't fly, but I do try as days roll by.
Oh me oh my, no I don't fly, but I do try (as days roll) by.

2 The sun on my face in a moment of grace, reaching across the sky
I'm touching your hand, I feel like a man,
Just stepping in time, and watching the days roll by. **[Chorus]**

Br Now I don't care for much, but I care about you, (about you),
And nothing in this world can ever take that away.
There's not a moment goes by when I'm not thinking about you, (about you),
There's not a day that I find that you don't seem to roll on by.

Ch Oh me oh my, no I don't fly, but I do try as days roll by.
Oh me oh my, no I don't fly, but I do try (as days roll) by.

Taking life more easily, more easily, mmm.

The inimitable Peter Fry.
