

When I'm Dead and Gone (Gallacher/Lyle)

INTRO) C F C F

1 Oh I love you baby I love you night and day; when I leave you baby,
 don't cry the night away. When I die don't you write no words upon my
 tomb. I don't believe I want to leave no epitaph of doom.

Ch Oh oh oh oh When I'm dead and gone, I want to leave some happy
 woman living on. Oh oh oh oh when I'm dead and gone,
 Don't want nobody to mourn beside my grave.

2 Old Mama Linda she's out to get my hide - she's got a shotgun and her
 daughter by her side. Hey there, ladies Johnson's free.
 Who's got the love, who's got enough to keep a man like me?

Ch Oh oh oh oh When I'm dead and gone, I want to leave some happy
 woman living on. Oh oh oh oh when I'm dead and gone,
 Don't want nobody to mourn Beside my grave.

Ch Oh oh oh oh When I'm dead and gone, I want to leave some happy
 woman living on. Oh oh oh oh when I'm dead and gone,
 Don't want nobody to mourn Beside my grave.

This was a hit for the Group McGuinness Flint in 1970, written by two Scots in the band, Benny Gallacher and Graham Lyle, who later formed a duo.
